A Note from Your Advisor

Hi Mohit & Purvibahen,

It is hard to believe it has already been 14 months since we secured 37 Bowler Avenue together. What a first year it has been.

The headline result speaks for itself — your property has grown in value by an estimated $30,000 since settlement in September 2025, representing a 4.9% capital gain over 14 months. This provides a strong foundation for the next stage of your property strategy.

The property is currently earning $580 per week, in line with the rent achieved at purchase.

This report gives you a clear, honest picture of where your investment stands today — what it is worth, what it is earning, and what the market around it is doing. It also outlines how your equity position could support a conversation with your mortgage broker and the next purchase in your property journey.

We are proud of the result we have achieved together, and we look forward to helping you build on it. As always, we are just a call away.

Warm regards,

Julian Khursigara
